Birthday Parties

Let The Dance Company do all the work! Our birthday parties are customized to your child. From Superheroes to Ballerinas, we provide the decorations, crafts, activities, and fun!

Choose from one of our great themes, or bring us something special!

Parties start at \$150 for up to 12 children for 2 hours of fun. Each additional child is \$10.

Ballerinas - Open up our dress up chest to find beautiful tutus, tiaras, and scarves. Have make-up and hair done that is fit for the stage. Create a beautiful fairy wand. Learn and perform a fun ballet dance.

Rock Stars - Grab a guitar and get dancing! This party is all about the fun from designing custom microphones to creating an original music video. Choose great outfits from our dressing room, and let's rock!

Princesses - Our princesses will create a beautiful royal tiara and have their faces painted like butterflies! With plenty of time for tea and dancing, there may even be a royal visitor!

Need a cake?

We work with a local cake maker to provide the coolest cake, cupcakes, or cake pops you can imagine! Perfect for any theme party.

(additional charges apply)

Need a bounce house?

Our friends at Let's Bounce Indy have just what you need for tons of bouncing fun! Our large space accommodates many of their selections.

Supervised Play

Our large studio space allows groups a place to meet and play. We offer everything from privately rented space to multi-room rentals with areas for adult meetings and separate, supervised play for children.

Our safe and fun tumbling equipment can be arranged into an obstacle course for children of all ages to explore and burn off some energy!

We are ready to provide whatever your group may need.

Pirates - Get ready for a swash-buckling good time! From pirate beards and mustaches to treasure hunts, this birthday is sure to be a blast.

Superheroes - Heroes will learn to flip and tumble all while saving the world. Decorate a hero mask, don a cape, and get to business conquering our obstacle course!

Dance Party - Let our DJ get the party jamming! With our disco balls, lights, and fog machines, guests will dance the night away. This party is perfect for tweens and teens!

We are excited to make our space the perfect venue for your needs. We serve as host to everything from moms' groups to private yoga classes to band rehearsals. Whether you need space to meet, play, or party, we are here for you!

A typical, one-studio rental is \$40/hr, however, we are willing to work with your budget for multi-hour rentals. A discount of 10% is extended to our existing Dance Company families for studio space rentals.
